Biological Science 3rd Canadian Edition by Scott Freeman ...

Known for its discovery-based, student-centered approach, Scott Freeman's Biological Science emphasizes higher-order thinking, enhances skill development, and promotes active learning. Biological Science equips students with strategies that go beyond memorization and guides them in making connections between core concepts and content, underscoring principles from the Vision and Change in Undergraduate Biology Education report.

Biological Science, 7th Edition - Pearson

Scott Freeman's Biological Science is beloved for its Socratic narrative style, its emphasis on experimental evidence, and its dedication to active learning. Science education research indicates that true mastery of content requires a move away from memorization towards active engagement with the material in a focused, personal way.

Biological Science, 6th Edition - Pearson

Scott Freeman's Biological Science is beloved for its Socratic narrative style, its emphasis on experimental evidence, and its dedication to active learning.
