Speaking with GQ in 2018, Paul McCartney explained this song's origin story: "'A Day In The Life' was a song that John had started. He had the first verse, and this often happened: one of us would have a little bit of an idea and instead of sitting down and sweating it, we'd just bring it to the other one and kind of finish it together, because you could ping-pong - you'd get an idea.

A Day In The Life by The Beatles - Songfacts

Rock music in Australia, also known as Oz rock, Australian rock and Aussie rock, is rock music from Australia. The nation has a rich history of rock music and an appreciation of the roots of various rock genres, usually originating in the United States or Britain, but also continental Europe, and more recently the musical styles of Africa. Australian rock has also contributed to the development ...
