Therapy notes (either progress notes or psychotherapy notes) may be easier to write and later to interpret if written toward a good treatment plan.

Progress Notes and Psychotherapy Notes

For example, if you do equine therapy you are doing that for a reason. There is something about the interaction that engages clients and makes a clinical impact. Similarly with something like art therapy or play therapy. When you provide play therapy, for example, the method is different but the purpose is the same.

How Do I Document Play Therapy? — QA Prep

Introduction. In her original work on the subject of play therapy, Virginia Axline wrote, "There is a frankness, and honesty, and a vividness in the way children state themselves in a play situation." 1As universal as it is mysterious, imaginative play predominates the lives of most young children. More and more, we are identifying and appreciating childhood mental disorders and how they ...
