Stuffed And Starved: Markets, Power And The Hidden Battle ...

Stuffed and Starved: The Hidden Battle for the World Food System is a 2008 work of non-fiction by British-American author and food-policy expert Raj Patel. Examining the global system of food production and consumption, Patel argues that the profit-driven imperialism of global corporations and organizations like the World Trade Organization (WTO) has created starvation in some countries and an obesity epidemic in others.

Raj Patel argues that these two categories of people, 'stuffed and starved' are linked together through the chains of food production. Starvation and obesity have one common cause: a global food production system ruled by the motivation of profit. The consumers believe they have a choice in deciding what to bring to their tables.

Stuffed and Starved. Half the world is malnourished, the other half obese—both symptoms of the corporate food monopoly. To show how a few powerful distributors control the health of the entire world, Raj Patel conducts a global investigation, traveling from the "green deserts" of Brazil and protester-packed streets of South Korea to bankrupt Ugandan coffee farms and barren fields of India.
