The History Of Diplomatic Immunity

The law of diplomatic immunity was significantly developed by the Romans, who grounded the protection of envoys in religious and natural law, a system of norms thought to apply to all human beings and derive from nature rather than from society. In Roman law the untouchable status of ambassadors was guaranteed even after the outbreak of war.

The History of Diplomatic Immunity - Rough Diplomacy

Diplomatic immunity, in international law, the immunities enjoyed by foreign states or international organizations and their official representatives from the jurisdiction of the country in which they are present. The inviolability of diplomatic envoys has been recognized by most civilizations and states throughout history.

Diplomatic immunity | international law | Britannica

Diplomatic immunity is a form of legal immunity that ensures diplomats are given safe passage and are considered not susceptible to lawsuit or prosecution under the host country's laws, although they may still be expelled. Modern diplomatic immunity was codified as international law in the Vienna Convention on Diplomatic Relations (1961) which has been ratified by all but a handful of nations.
