The History Of The Rear-View Mirror Was All About Driving Faster Ray Harroun's Indy Car | escuderia.com Inspired by something he saw in a horse-drawn carriage, Indy racer Ray Harroun installed a rear view mirror on his car to replace the ancillary rider, a mechanic, who would normally accompany a driver.

The History Of The Rear-View Mirror Was All About Driving ...

The rise in infections have caused several states to slow, stop, or reverse their efforts at re-opening their economies. Here, the rearview mirror view of COVID-19 in the U.S. looks quite positive as daily fatalities decline. The view forward through the windshield - reflected in new infections - is potentially terrifying.
