When Affirmative Action Was White

The almost exclusively white-targeted nature of this extensive federal legislation has largely been ignored by policy analysts, just as it was by Lyndon Johnson. Thus, often without realizing it, the United States has practiced what, in effect, was white affirmative action on a highly generous and widespread basis, followed by a much more ...

When Affirmative Action Was White - PRRAC

Affirmative action during administrations of Franklin Roosevelt and Harry Truman was exclusively white. This book is an excellent description and analysis of the ways in which the most powerful social programs of the 1930s and 40s were explicitly designed to exclude African Americans.

When Affirmative Action Was White: An Untold History of ...

Stated differently, "affirmative action" did not emerge as a new program in the late 1960s. According to Katznelson, it had deep roots in the 1930s and played an active role in exacerbating the socio-economic chasm between whites and blacks in the post-World War II years. When Affirmative Action Was White elaborates on this core theme in four ...

When Affirmative Action Was White: An Untold History of ...

A groundbreaking work that exposes the twisted origins of affirmative action. In this "penetrating new analysis" (New York Times Book Review) Ira Katznelson fundamentally recasts our understanding of twentieth-century American history and demonstrates that all the key programs passed during the New Deal and Fair Deal era of the 1930s and 1940s were created in a deeply discriminatory manner.

When Affirmative Action Was White describes the period from the depression to the aftermath of the second world war, Roosevelt's and Truman's administrations, focussing on federal policies and programmes in four areas affecting living standards and life chances: 1) relief, welfare, Social Security (state pensions); 2) "rules for work", minimum wages, union membership and benefits; 3 ...

Book Review: When Affirmative Action Was White

Affirmative action is up for debate again, after reports that the Trump Administration plans to scrutinize college admissions programs. Some surveys show that support for affirmative action among white Americans has declined over the last few decades. And at the same time, concern about what some call "reverse racism" has risen.

White Affirmative Action - Resilience

The first affirmative-action measure in America was an executive order signed by President Kennedy in 1961 requiring that federal contractors "take affirmative action to ensure that applicants ...

Affirmative Action Has Helped White Women More Than Anyone ...

The term "affirmative action" was first used in the United States in "Executive Order No. 10925", signed by President John F. Kennedy on 6 March 1961, which included a provision that government contractors "take affirmative action to ensure that applicants are employed, and employees are treated [fairly] during employment, without regard to their race, creed, color, or national origin".

Analysis of "When Affirmative Action Was White" Book ...

But affirmative action has been quite beneficial to women, and disproportionately beneficial to white women. Women are now more likely to graduate with bachelor's degrees and attend graduate school than men are and outnumber men on many college campuses. In 1970, just 7.6 percent of physicians in America were women; in 2002, that number had risen to 25.2 percent.
