Why We Make Mistakes Summary

Most mistakes are, indeed, the result of human error. People often err because of universal biases in the way they perceive the world. For instance, right-handed people usually turn right when they enter a building, even if it isn't the correct way to the door they seek. Expectations also play a role.

Why We Make Mistakes Free Summary by Joseph T. Hallinan

About Why We Make Mistakes: We forget our passwords. We pay too much to go to the gym. We think we'd be happier if we lived in California (we wouldn't), and we think we should stick with our first answer on tests (we shouldn't). Why do we make mistakes? And could we do a little better? We human beings have design flaws.
